## Happenings

**JOIN THE FUTURE OF STRATEGY:** The [AI Community of Interest for Strategy Professionals Webinar Series](#) will present an engaging and informative platform designed for enthusiasts, professionals, and organizations interested in the ever-evolving world of artificial intelligence. In the first session on November 16th, we will embark on a journey through the history of AI, Big Data, and machine intelligence. Join us as we unravel the intricate workings of this groundbreaking technology. [Sign up here!](#) There is no charge to attend. (POC: [Doug Maris](#))

**NEXT GENERATION OF FORESIGHT LEADERS – YOUNG VOICES AWARDS:** [Teach the Future will](#) recognize 27 Young Voices this year for their outstanding project proposals, passion for their sector, and use of futures thinking. NGFL received three times as many applications for its 2023 Young Voices Awards as in previous years, showing a growing interest in futures and foresight work around the world. Read more about the [Young Voices Network](#) and the [2023 winners](#).

**PROFESSIONAL FORESIGHT CERTIFICATION:** [TFSX](#) offers Professional Certification in Natural Foresight® which is endorsed by the Global Foresight Advisory ([GFAC](#)). For those who meet [eligibility](#) for the first designation in the pathway, Certified Foresight Practitioner, the next online testing window is Dec 1 – Feb 15 (applications are due December 15). Learn more information about the credential [here](#) or reach out to [info@tfsx.com](mailto:info@tfsx.com) to discuss a customized learning journey.

**SURVEY: AI USE IN STRATEGY:** The Army Strategist Association, International Association for Strategy Professionals (Australia Chapter), Baldrige Foundation, and LBL Strategies are researching current and future uses of Generative AI in strategic management, including potential impacts, benefits, and barriers. Please support their research by taking the quick, anonymous [survey](#) and sharing with other strategy professionals in your organizations! Results will be shared with all survey respondents and presented at a future webinar. (POC: [Doug Maris](#))

**PODCAST - IMAGINE A WORLD:** Can you imagine a world in 2045 where we manage to avoid the climate crisis, major wars, and the potential harms of artificial intelligence? The [Future of Life Institute](#) has launched a new [podcast](#) exploring ways we could build a more positive future.

### FFCOI Webinar: Nuclear Security Workplace and Workforce of the Future

A team from across the Department of Energy (DOE)/National Nuclear Security Administration (NNSA) Labs, Plants, and Sites used strategic foresight methods (including trends- and scenario-based exercises) to anticipate changing global security and workforce dynamics and how they could impact the nuclear security enterprise. Join us on **November 16<sup>th</sup> from 11am -12pm (ET)**, as we explore how the study describes an employee value proposition framework and tangible actions that can be taken at multiple levels to make the nuclear security enterprise an exciting, challenging, and desirable place to work now and in the future. Speakers include the project Co-Chairs, **Elizabeth Kistin Keller** (Sandia National Laboratories) and **Lynette Landis** (Kansas City National Security Campus), with an introduction from **Monte Malin** (NNSA Director for Policy). *Be sure to RSVP by 11/8 sending an email to [Sharaelle A. Grzesiak](#) to be added to the calendar invitation.*
